Back by Popular Demand! Abilis is Operating and Staffing the Island Beach Concession for the 2nd Summer in a Row

The Beach Concession will offer Inclusive Employment and Provide Meaningful Jobs to Adults with Disabilities

GREENWICH, Conn., June 9, 2022 — **Abilis** and the Town of Greenwich are pleased to announce that Abilis will be back for a second year operating the **Island Beach Concession** stand! After a successful summer last year, Abilis has once again been tapped to run the popular concession and will be an inclusive employer by providing important jobs for Abilis program participants with disabilities and additional staff from the community.

“We had such a great response last summer to Abilis running the Island Beach Concession stand,” said Amy Montimurro, CEO and president of Abilis. “We were honored to be asked back again this year and are excited to be offering an extended menu with some beach-goer favorites. Having the opportunity for our Abilis program participants to work out in the community and in such a beautiful spot as Island Beach, provides incredible experience to our program participants and helps them feel a part of the community, which is so important.”

Menu items for the summer season include:

Heather Brown, director of Businesses & Community Outreach for Abilis, will manage the Concession stand again this summer. Heather also oversees Abilis’ other businesses including Abilis Gardens & Gifts, The Café at Greenwich Library, The Café at Darien Library and Dante’s Cafe at the New Canaan YMCA.

Updates and menu specials will be available on the Island Beach Concession social media accounts on [Facebook](https://www.facebook.com/abilis.us) and Instagram at [@islandbeach.concession](https://www.instagram.com/islandbeach.concession).
